Dear Principal Walker,

It is with great pleasure I announce the **Viola Cyprian-Mack Memorial Scholarship Fund (VCMMSF)** opportunity for 2023 high school graduates.

Mrs. Viola Cyprian Mack was born and raised in rural South Louisiana in the small, close-knit community of Uneedus, located in the Tangipahoa Parish. She was a kind and generous woman of faith extremely devoted to her family, her friends, and her church. Mrs. Mack also recognized the importance of education, a core value that she passed along to her children and grandchildren. In honor of her legacy, VCMMSF seeks to provide financial support to students who are seeking to enrich their lives and the lives of others through higher education.

We are reaching out to your high school to help raise awareness of this opportunity and to encourage upcoming 2023 high school graduates to apply. Financial concerns are a known obstacle preventing college matriculation. This scholarship can be a blessing in that area.

The award amount of the VCMMSF 2023 scholarship is \$2,000. The eligibility requirements are as follows:

- Applicant must be a 2023 graduating high school senior.
- Applicant has been accepted to attend an accredited four-year college or university, a two-year community college, or trade school for the upcoming Fall 2023 term.
- Applicant has served as a community volunteer or is service-minded and gives back to his/her community.

The VCMMSF Scholarship application submittal portal is open. **Submission of an online application form and all required document uploads must be received on or before June 15, 2023.** Notification of the scholarship winner(s) will be announced on or before July 1, 2023.

Please direct applicants to the website link below for full scholarship details and consider sharing the VCMMSF flyer on your announcement platforms.
